18-05-8000 DISCUSSION

Baseball Building at Grafton High School

Ms. Green informed the Board that R & R's price of \$3,000.00 would include tearing down and taking all old materials away from the site or to just tear down the building the price would be \$5,000.00. Ms. Green also informed the Board that Mr. McCullough could bring the building up to inspector standards and he has most of the supplies that would be needed. Other materials that will be needed should cost less than \$5,000.00. Mr. McCullough would still need to follow his curriculum and teach so he would not want to be logged into a time restraint. In the spring the baseball team would have batting practices in the Clair Bee Gym. Mrs. Shumaker and Mr. Bord are both in agreement with this process.
