

Now ALL teachers in West Virginia have full AND INSTANT access to all of YouTube! When anyone tries to go to <http://youtube.com> they will get a new screen instead of the standard deny screen. This newscreen will ask for your WebTop log in information. If the credentials are from a teacher they will proceed directly to Youtube.com. If the credentials are from a student they will get they standard denyscreen. A teacher can always ask that a good video be unblocked foreveryone. This is called our "whitelist". Here are a series of short video explanations:

Instant teacher access to all of
